¹ Children who have both parental rights terminated, have a goal of adoption, and are not yet in pre adoptive placement.

² Journal entries received by SRS more than one month after the permanency hearing date will not be included.

³ National Data Standards are set by the Department of Health and Human Services in the Child and Family Service Review (CFSR).

The standard for timely reintegration is 76.2% of children released from custody due to reintegration are released within 12 months of removal.

The standard for timely adoption is 32% of children released from custody for reason of adoption are released within 24 months of removal into care

The standard for stable placements is 86.7% of children in care less than 12 months have 2 or fewer placements.

⁴ The Child Welfare Community Based Services Contract standard is 90% of children placed in a home like setting.

⁵ The Child Welfare Community Based Services Contract standard is 75% of children maintain their connection with community.

⁶ The Child Welfare Community Based Services Contract standard is 95% of children have timely permanency hearings.
