Instructions for Enhanced Rate for Special Care:

Completion of form ES-1627a is to be initiated by the EES caseworker at the request of the parent.

The family must be eligible for the child care subsidy. The family should request the enhanced rate for special care from the EES worker for a specific child care provider. A parent may request the enhanced care rate for services from any enrolled SRS provider.

The child must have ONE or MORE of the following conditions:

- Developmental age lower than chronological age and requires assistance via special supervision
- Movement impairment: Requires special assistance or unable to move
- Sensory impairment: Requires special environment modifications or assistance
- Hygiene, toileting and feeding: Requires assistance or special equipment unusual to the child's age
- Emotional impairment including challenging behavior: Requires special equipment or assistance/special supervision
- A chronic medical condition requiring close supervision, monitoring and/or administration of medications

The parent provides ONE or MORE of the following as documentation of need:

- IFSP/IEP indicating the need for special assistance or supervision
- Observations/written documentation from a *skilled professional familiar with the child's needs and abilities indicating need for special assistance or supervision

*A skilled professional would be a professional such as a physician, psychologist, special education teacher, public health nurse, social worker, etc.

The parent provides a signed statement from the child care provider:

* Indicating what **exceptional** services will be provided. For example: one-on-one supervision, respiratory management, hygiene requirements unusual for the age of the child.

* The provider should also provide documentation of any current special training acquired or needed to care for the child.

* Documentation of training or a plan to acquire training must be included.* The provider must be enrolled or in the process of becoming enrolled in the SRS child care subsidy program.
