

Presenters' Credentials

Jason Hess is a Clinical Director at Heartland Regional Alcohol and Drug Assessment Center. Prior to taking on the Director role, he spent 9 years providing alcohol and drug assessments utilizing the KCPC, UR, and clinical chart reviews. Jason is certified as an alcohol and drug counselor by the State of Kansas and holds a Master's Degree in Clinical Psychology. He has worked in the field for the past thirteen years and has been employed by Heartland RADAC for eleven years.

Kris Carnahan is the Director of Operations & Administrative Services at Heartland Regional Alcohol and Drug Assessment Center. Kris has extensive computer experience and training, as well as Bachelor's and Master's degrees in the field of Human Ecology. She has been employed by Heartland RADAC for three years.

Amber Gaia LSCSW, is the Clinical Director at ValueOptions-Kansas. She holds a Master's Degree in Social Work, and prior to ValueOptions she worked in the substance abuse field on inpatient dual diagnosis units, partial hospital, intensive outpatient and outpatient settings, as well as a halfway house. Amber is a specialist in the treatment of trauma and dissociation and has been with ValueOptions for five years.

**KCPC Theory
&
Practice Workshop**

This presentation is designed to provide instruction on the clinical and technical aspects of the Kansas Client Placement Criteria. Exercises will be geared toward using the ASAM criteria to determine level of care. Information on moving files through the system will include when to enter CSR's, TFL's and Discharges. The workshop is designed to train novice counselors and update previously trained counselors.

Cost is \$125 per person.
