

That's what I'm talking about

July 24, 2008

Dear Kansas Residents,

As in years past, in honor of National Deaf Awareness Week, Hamilton Relay seeks to recognize outstanding leaders among members of the Deaf and Hard of Hearing Communities across the country. Specifically, we would like to honor someone from Kansas. We need your assistance!

Looking back over the years, there have been many changes throughout the state of Kansas. We are looking for people who have been a strong influence within your state. Who is the Deaf or Hard of Hearing person you wish to nominate? Let us know as soon as possible!

Please send your nominations to me at the address below. Please include the candidate's name and contact information, a brief description of who they are and what this person has done that causes you to nominate him/her, and two additional references along with contact information (people we can contact to learn more about your candidate.) Please send your nominations by e-mail, fax or regular mail. We need all nominations before August 30, 2008!

Hamilton Relay looks forward to giving back to the community by celebrating an outstanding Community Leader from Kansas during Deaf Awareness Week. Thank you for participating in the excitement!

Sincerely,

Kristy Mnich
